The screenshot shows the Stripe payment page for a service named 'Day Image Editing x12'. The interface includes a progress bar at the top with four steps: 'Pick the service', 'Day Image Editing', 'Cart', and 'Payment' (the current step). A 'Back' button is located in the top right corner. The main content area displays the service details: a thumbnail image of a room, the service name 'Day Image Editing x12', a description 'Maximum 5 exposures / Photo Editing Magazine (5exp)', and 'File uploads: 1/1 files'. The price is listed as '\$60.00'. Below this, there is a 'Promocode' input field with an 'Apply' button. Further down, the 'Apply Credits' section shows a discount of '-\$7.90'. The total amount to be paid is highlighted in blue as 'Total \$52.10'. On the right side, the Stripe logo is displayed with the text 'Powered by stripe'. Below the logo, it prompts the user to 'Please select a saved card:' and shows a 'Card number' field with an 'Autofill link' button. There is also a checkbox for 'Save my card for future purchases' and a 'Pay' button at the bottom of the payment section.
